

**Introducing the GSA Range of Sealants and Adhesives, each identified by its distinctive packaging color.**

**Maxi Seal** is a retail range of silicone packaged in **BLUE** offering solutions like S300 an all purpose silicone, S305 for roof & plumbing and S310 anti mould & mildew wet area silicone.

**Pro Seal** is packaged in **PURPLE** featuring P500 and P600, both trade quality 100% silicone formulations.

**Acryli Seal** stands out in **ORANGE**, providing versatile gap fillers that will cover most aspects of the painting market.

**Hybri Fix**, in **GREEN** combines strength and flexibility with various options of MS polymers.

**Blaze Seal**, packaged in **RED** are our fire-rated products that all comply with AS1530.4 Australian standards

**Explore the GSA Range for reliable, high-performance sealants and adhesives tailored to your specific needs.**

Please note: the product reference number is not the part number. Refer to our catalogue or price list for part numbers and colour options
