VOC Content

Subject to Consumer Product VOC Regulations <0.90% (Revitalizer RTU)

Cautions

- Consult SDS for more safety information.
- Inhalation: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Get medical attention if any discomfort continues.
- Conduct a test area on polished marble to determine suitability and acceptability.
- Skin contact: Wash off with soap and water. Get medical attention if symptoms occur.
- Eye contact: Flush eyes thoroughly with water for at least 15 minutes. Get medical attention if symptoms persist.
- Ingestion: Rinse mouth. Do not induce vomiting. Get medical attention if any discomfort continues.

Storage and Handling Instructions

MAY BE HARMFUL IF SWALLOWED. MAY CAUSE EYE, SKIN AND RESPIRATORY IRRITATION. Do not ingest. Avoid contact with eyes and skin. Avoid prolonged exposure to vapours. Use in a well-ventilated area. KEEP OUT OF THE REACH OF CHILDREN. Do not store above 38 °C. Do not mix with other chemicals. Do not release to natural waterways.

TECHNICAL DATA

Physical Properties

Form	Liquid
Colour	Clear
Odour	Sweet
pH	5.5 - 6.5

Specifications subject to change without notification. Results shown are typical but reflect test procedures used. Actual field performance will depend on installation methods and site conditions.

INSTALLATION

Surface Preparation for STONETECH® Revitalizer® Cleaner & Protector – Concentrate

Read entire label before using. Use only as directed. Be sure all surfaces to be cleaned are swept or vacuumed to remove loose debris. Keep children and pets out of the area during application and drying.

Directions for Concentrate

- Dilute concentrated cleaner with warm water according to the following mixing chart:

Use	STONETECH® Revitalizer® Cleaner & Protector	Warm Water
Spray Refill	1 Part	1 Part
Light duty	1 Part	4 Parts

- Apply diluted solution with a mop, towel, sponge or sprayer.
- Rub surface lightly and remove any excess cleaner. No need to rinse.
- Repeat if necessary for heavily soiled areas.
- Let area dry completely before using.

AVAILABILITY AND COST

Availability

LATICRETE® and STONETECH and LATAPOXY® materials are available worldwide.

Telephone: 07 3865 1599

For online distributor information, visit LATICRETE at www.laticrete.com.au

Cost

Contact a LATICRETE Distributor in your area.

MAINTENANCE

Highly alkaline, acidic, ammoniated, or abrasive cleaners are not necessary for daily maintenance and may also degrade the Sealer, adversely affecting stain resistance. Tile and stone routine cleaning with a neutral pH cleaner such as STONETECH® Stone & Tile Cleaner is recommended. For tough or difficult to remove soil use STONETECH KlenzAll™ Cleaner, a nylon scrubbing pad or a long handled stiff bristle brush. Please note: Prior to using any cleaning material on a tile, stone, etc. installation, test a discrete area or scrap piece of tile to insure desired results. For additional information, please refer to the TDS 1262 Stone and Tile Care Guide.
